Exceptional social entrepreneurs and nonprofit leaders engaged in social and economic justice enterprises in the United States: [apply now](#). Awards are made on a *rolling basis*, so it is advantageous to apply as early as possible.

OPPORTUNITY COLLABORATION

Opportunity Collaboration is a global network of leaders building sustainable solutions to poverty and injustice. For the first time in 2018, Opportunity Collaboration is connecting leaders focused on critical issues in the United States. 300+ nonprofit directors, for-profit social entrepreneurs, grant-makers and impact investors will convene in **Sandpiper Bay, Florida** from **May 6-11, 2018**, along with aligned media, and corporate & academic field leaders. Every Delegate is asked to be both a learner and a contributor. Break down unproductive silos and go beyond the boundaries of conventional charity and business. Join us to leverage resources, share innovations, enlist allies, build coalitions and create force multipliers for poverty alleviation & social justice across the United States.

UNITED STATES FELLOWSHIPS

Fellows receive a \$2,200 scholarship to attend Opportunity Collaboration. Fellows pay a \$750 registration fee to book 5-nights shared-room accommodations. Registration includes full access to all Delegate leadership programs, capacity building clinics, working discussion groups, Agenda roles, and organizational showcasing opportunities, as well as pre- and post-event networking concierge services, all food & beverages, transportation to and from Palm Beach International (PBI)

Airport, internet fees, onsite recreation and hotel fees. Fellows are responsible for arranging and funding their own travel by air to PBI Airport, or by land to Sandpiper Bay, Florida which is approximately 2 hours north of Miami.

Eligibility Criteria

Successful fellowship applicants are high-impact, entrepreneurial for-profit and nonprofit executives with a demonstrated commitment to community leadership, and a track record of accomplishment in poverty alleviation and social justice. Like all Delegates, Fellows are catalytic leaders who by their actions and accomplishments evidence pragmatic vision, passionate tenacity, multi-sectoral thinking, adaptive leadership skills, non-ideological activism and a strong ethical grounding. References from Opportunity Collaboration Delegates are influential. Financial need is also a primary consideration for fellowship selection.
